# Who are the Friends?

The Hawaii State Art Museum was founded in 2002, and is dedicated to presenting the largest and finest collection of works by Hawaii artists.

The art displayed in the Museum is purchased with funds provided by the one percent for art law.

Admission to the museum is free. The Friends of HiSAM was formed to raise funds from the community to support the educational and outreach activities of the museum. Your contribution will enable us to continue our successful First Friday, Live from the Lawn, Second Saturday and Art Lunch programs as well as provide educational opportunities for Hawaii's school children.

Your generous support plays an essential role on our continued success.
